

## Koine Greek Lunch

2011 SBL/AAR Annual Meeting

**Time/Date:** Sunday, Nov. 20, 11:45–12:45

**Place:** Intercontinental-Howard (5<sup>th</sup> floor)

This is an opportunity for those involved with studying/teaching Koine Greek to spend a little time with each other speaking in Koine Greek. Everyone is welcome, regardless of pronunciation preference or conversational ability. Don't be afraid to make mistakes. *Pecca fortiter!* (τολμηρῶς ἀμάρτανε!)

### Our goals:

- To practice speaking Koine Greek conversationally.
- To get to know others who are interested in speaking Koine Greek or pursuing a communicative pedagogy for Koine Greek.
- To become more aware of our own level of proficiency in Greek. We can sometimes mistake ability to translate familiar texts for proficiency in the language. A good way to see how far we have to go is by interacting in the language.

**Please note:** Lunch is not provided, bring your own! Feel free to come when you can and leave when you must.

### Some topics to discuss in Greek:

- Papers/presentations you have attend/given at the conference
- Where you are from, where you live/teach/go to school
- What subjects/texts you are studying
- How long you have studied Greek
- What you are eating for lunch, what/where you have eaten in San Francisco
- What books you have bought/plan to buy at the conference
- What you are currently reading, teaching
- What books you have written/edited/published
- Your family
